

“ORAL CULTURE” POSTERS ON FLASH DRIVE!

Poster topics:

- No bare hand contact with ready-to-eat food
- Employee health
- Proper handwashing

To view posters on-line:

- Search “FDA Oral Culture”
- Search “NJDHSS Oral Culture”

DON'T HAVE ONE YET? JUST ASK US!

Use posters on inspections to:

- Help foodservice managers reach out to “oral culture learners,” food employees who learn best through pictures and stories
- Raise awareness about the link between employee illness and food contamination
- Promote understanding of employees’ role in preventing foodborne illness/outbreaks

Contacts:

- Joan Lytle, FDA
732-390-3823
joan.lytle@fda.hhs.gov
- Virginia Wheatley, NJDOH
609-826-4935
virginia.wheatley@doh.state.nj.us

Posters are brought to you through a partnership between:
U.S. Food and Drug Administration
and
NJ Department of Health and Senior Services
